5. Speeding through Elkstone Village

Following the concerns that have been raised regarding the speeding through Elkstone and the suggestion of an impact scheme at each end of the village where the 40mph starts such as a gateway sign. Gateway costs have been explored. County Councillor Harris advised that he has a budget and may be able to make a contribution, a possibility of funding from Highways with the remainder of the cost from the precept. To be further considered.

Highways have confirmed they will remark all the road markings at the gateways to the village and remark the four slow markings on the road in between the two gateways. Also, work to clear the soil and grass from the cobble setts at the side of the road at the gateways to restore their prominence.
